'Tactical review of the second year of the war in the Ukraine'

Presentation by Mark Cooper (VP RUSI Hobart Branch).

The presentation will draw from the recently released RUSI (UK) Special Report, 19 May 2023 *'Meatgrinder: Russian Tactics in the Second Year of Its Invasion of Ukraine'*. The report provides an excellent insight into the second year of the war, detailing the tactical (battlefield) successes and failures of the Russian operation. With Russian forces now entrenched into significant defensive positions and having learnt several key lessons (the hard way), Ukrainian forces now have a significant challenge in gaining lost territory in their offensive operations. The presentation will also cover Australia's contribution to the Ukraine. The Special Report can be found at: <https://rusi.org/explore-our-research/publications/special-resources/meatgrinder-russian-tactics-second-year-its-invasion-ukraine>

The Presentation will start at 7pm

Drinks and nibbles provided from 6.30pm
