'China and Taiwan'

'The issue of China and Taiwan remains one of the most challenging problems in our region and has significantly shaped Australia's strategic, political, and security position.'

Again, RUSI Hobart is most fortunate to have the support of the University of Tasmania. Our guest speaker, Doctor Mark Harrison will address the China and Taiwan issue, including the upcoming presidential election in Taiwan. The potential for conflict between China and Taiwan has forged alliances between Australia and its partners, and shaped how the ADF and its allies will operate in the future. Doctor Harrison is a Senior Lecturer in Politics and International Relations at UTAS, specialising in the China Taiwan relationship.

The Presentation will start at 7pm

Drinks and nibbles provided from 6.30pm
